

שנה טובה SHANA TOVA

For some inexplicable reason, the Jewish Holidays are either early or late every year, they are never on time! This year they actually start on time, Rosh Hashanah in the middle of September and Yom Kippur concluding before the end of the month. Since 1975, Potomac Village Deli has served you 365 days a year through rain, sleet, snow, hail, blood, frogs, boils, vermin and locusts. So if you don't have time to prepare your chicken soup, we are just a phone call away. As in the past, everything is prepared fresh and on premises and still backed by our 100% satisfaction guarantee.

We look forward to making your holiday effortless and extend our sincere wishes for a Happy, Healthy and Peaceful New Year!
